Rule 690-186.003, F.A.C.
FLORIDA ADMINISTRATIVE CODE

690-186.003 Title Insurance Rates.

The following are risk rate premiums to be charged by title insurers in this state for the respective types of title insurance contracts. To compute any insurance premium on a fractional thousand of insurance (except as to minimum premiums), multiply such fractional thousand by the rate per thousand applicable, considering any fraction of \$100.00 as a full \$100.00.

(1) Original Title Insurance Rates.

(a) For owner and leasehold title insurance:

1.a. The Premium for the original owner's or for leasehold insurance shall be:

	Per Thousand	Minimum Insurer Retention
From \$0 to \$100,000 of liability written	\$5.75	30%
From \$100,000 to \$1 million, add	\$5.00	30%
Over \$1 million to and up to \$5 million, add	\$2.50	35%
Over \$5 million and up to \$10 million, add	\$2.25	40%
Over \$10 million, add	\$2.00	40%

b. The minimum premium for all conveyances except multiple conveyances shall be \$100.

c. The minimum premium for multiple conveyances on the same property shall be \$60.

2. In all cases the owner's policy shall be issued for the full insurable value of the premises.

(b) For mortgage title insurance:

1.a. The premium for the original mortgage title insurance shall be:

	Per Thousand	Minimum Insurer Retention
From \$0 to \$100,000 of liability written	\$5.75	30%
From \$100,000 to \$1 million, add	\$5.00	30%
Over \$1 million and up to \$5 million, add	\$2.50	35%
Over \$5 million and up to \$10 million, add	\$2.25	40%
Over \$10 million, add	\$2.00	40%

b. The minimum premium for all conveyances except multiple conveyances shall be \$100.

c. The minimum premium for multiple conveyances on the same property shall be \$60.

2. A mortgage title insurance policy shall not be issued for an amount less than the full principal debt. A policy may, however, be issued for an amount up to 25 percent in excess of the principal debt to cover interest and foreclosure costs.

(2) Reissue Rates.

(a)1. The reissue premium charge for owner's, mortgage, and leasehold title insurance policies shall be:

	Per Thousand
Up to \$100,000 of liability written	\$3.30
Over \$100,000 and up to \$1 million, add	\$3.00
Over \$1 million and up to \$10 million, add	\$2.00
Over \$10 million, add	\$1.50

2. The minimum premium shall be \$100.00.

(b) Provided a previous owner's policy was issued insuring the seller or the mortgagor in the current transaction and that both

the reissuing agent and the reissuing underwriter retain for their respective files copies of the prior owner's policy, the reissue premium rates in paragraph (a) shall apply to:

1. Policies on real property which is unimproved except for roads, bridges, drainage facilities, and utilities if the current owner's title has been insured prior to the application for a new policy;
2. Policies issued with an effective date of less than 3 years after the effective date of the policy insuring the seller or mortgagor in the current transaction; or
3. Mortgage policies issued on refinancing of property insured by an original owner's policy which insured the title of the current mortgagor.

(c) Any amount of new insurance, in the aggregate, in excess of the amount under the previous policy shall be computed at the original owner's or leasehold rates, as provided in subsection (1).

(3) New Home Purchase Discount.

(a) Provided the seller has not leased or occupied the premises, the original premium of a policy on the first sale of residential property with a one to four family improvement that is granted a certificate of occupancy shall be discounted by the amount of premium paid for any prior loan policies insuring the lien of a mortgage executed by the seller on the premises.

(b) In the case of prior loan policies insuring the lien of a mortgage on multiple units or parcels, the discount shall be prorated by dividing the amount of the premium paid for the prior loan policies by the total number of units or parcels without regard to varying unit or parcel value.

(c) The minimum new home purchase premium shall be \$200. The new home purchase discount may not be combined with any other reduction from original premium rates provided for in this section.

(d) The insurer shall reserve for unearned premiums only on the excess amount of the policy over the amount of the actual or prorated amount of the prior loan policy.

(4) Substitution Loan Rates. The following risk premium for substitution loans shall apply:

(a) When the same borrower and the same lender make a substitution loan on the same property, the title to which was insured by an insurer in connection with the original loan.

Age of Original Loan	Premium Rates
3 years or under	30% of original rates
From 3 to 4 years	40% of original rates
From 4 to 5 years	50% of original rates
From 5 to 10 years	60% of original rates
Over 10 years	100% of original rates
Minimum premium	\$100.00

(b) At the time a substitution loan is made, the unpaid principal balance of the previous loan will be considered the amount of insurance in force on which the foregoing rates shall be calculated. To these rates shall be added the regular rates in the applicable schedules for any new insurance, that is, the difference between the unpaid principal balance of the original loan and the amount of the new loan.

(c) In the case of a substitution loan of \$250,000 or more, when the same borrower and any lender make a substitution loan on the same property, the title to which was insured by an insurer in connection with the previous loan, the premium for such substitution loans shall be the rates as set forth in paragraphs (a) and (b).

(5) Simultaneous Issue Rates. The risk premium for simultaneous issues shall be as follows:

(a) When an owner's and a mortgagee's policy or policies covering identical land are to be issued simultaneously the risk premiums applicable for the owner's policy shall be the regular owner's rate as provided for herein. The rate for the mortgage policy or policies so simultaneously issued will be a minimum \$25.00 for an amount of insurance not in excess of the owner's policy. The risk premium on the amount of the mortgage policy or policies in excess of the owner's policy shall be figured at the regular original title insurance rates for mortgage policies.

(b) The title must be examined to a date which includes the filing for record of both the deed to the mortgagor and the mortgage itself. Both policies must bear identical dates and the owner's policy must show the mortgage as an exception under Schedule "B" thereof. It is not essential that the property be acquired simultaneously with the giving of the mortgage, but this rate, where

applicable, has reference to the simultaneous issuance of an owner's and mortgagee's policy or policies.

(c) When an owner's and leasehold policy covering identical land are to be issued simultaneously, the risk premium applicable for the owner's policy shall be the regular owner's rate as provided for herein. The rate for the leasehold policy will be 30% of the rate for the owner's policy with which it is being issued simultaneously up to the amount of said owner's policy. The risk premium on the amount of a leasehold policy in excess of the owner's policy will be figured at the regular rate for owner's policies in the applicable schedule.

(6) Contract Purchaser – Lessee Rates. If a contract purchaser, who has obtained a policy from an insurer insuring his contract and thereafter obtains a deed given in pursuance of the contract makes application for an owner's policy and surrenders the policy, insuring his contract; or a lessee who has obtained a leasehold policy of an insurer, insuring his lease and thereafter purchases the property, makes application for an owner's policy and surrenders such policy, the re-issue risk rate shall be:

Up to \$100,000 of liability written	25% of the rates set forth in subsection (1)
Over \$100,000 add	20% of the rates set forth in subsection (1)
Minimum premium shall be	\$100.00

(7) Binders and Commitments. A binder of title insurance, or a commitment to insure a title or risk, imposes certain obligations and liabilities upon a title insurer and agents with consequent benefits for an insured. Since such binders and commitments are being increasingly utilized in transactions involving title insurance, it is deemed necessary that in accordance with Section 627.7831, Florida Statutes, a portion of the risk premium must be charged for such binder or commitment when it is issued, except for transactions involving residential properties. The risk premium charge for binders and commitments shall be credited to the risk premium due on the policy to be issued.

(8) Construction Loans Secured by Revolving Notes and Mortgages. When a mortgage policy is issued to insure a mortgage securing periodic advances of the loan proceeds to finance improvements on real property, an additional risk rate premium shall be charged for the value of each new parcel of real property added to the policy's coverage after its original issuance.

(9) Minimum Retention of Premium by Insurer.

(a) A title insurer shall receive and retain at least 30% of the risk premium for policies sold by agents in accordance with Minimum Insurance Retention Schedule, including risk premium for endorsements, and it shall not be decreased, directly or indirectly, by an insurer providing services to any agent for less than actual cost.

(b) Any retention of premium by an insurer in excess of 30% shall not be decreased, directly or indirectly, by providing services to an agent for less than actual cost.

(c) The required retention of funds must be remitted to the insurer by the agent at least monthly, and until remitted these funds are "collected funds" subject to the accountability provisions of Rule 69O-186.009, F.A.C.

(10) Effect of Amendments to Risk Premium. Any change in the risk premium due to an amendment to this rule shall not affect policies for which a binder or commitment to issue a policy has been issued prior to the effective date of the amendment.

(11) Unlawful Rebates or Abatement of Charges.

(a) No title insurer, title insurance agent or agency, including attorney agent, shall decrease the risk premium by an illegal rebate or abatement of charges for abstracting, examinations, or closing charges. At least actual cost must be charged for related title services in addition to the adopted risk premium.

(b) Charges for related title services (title search, examination, and closing) shall be shown separately on the closing statement, and shall, at a minimum, show title search charges, examination fees, and closing charges. The risk premium as defined by Section 627.7711(2), Florida Statutes, and as provided in Section 627.780(1), Florida Statutes, shall be shown separately on the closing statement.

(c) Any ongoing or standing offer of gifts, compensation or special services to the same person or customer on a continuing basis as an inducement to referring title insurance transactions is prohibited.

(12) Subsections (1) through (4) of this rule shall become effective July 1, 2002. The remainder of the rule shall become effective 20 days after adoption.

69 FL ADC 690-186.004
Rule 690-186.004, F.A.C.
FLORIDA ADMINISTRATIVE CODE

690-186.004 Classification of “Certificates of Title” as a Respective Type of Title Insurance Contract and Promulgation of a Specific Rate Schedule Applicable Thereto.

(1) The initial Title Insurance Rate Promulgation Order promulgated on March 7, 1967, pursuant to the provisions of Section 627.0956, Florida Statutes (Rule 690-186.003, F.A.C.), did not recognize Certificates of Title (commonly identified as Department of the Army Engineers Form 903, dated December 1, 1963, and Department of the Army Engineers Form 1017, dated April 1, 1962) and other substantially similar contracts used by governmental agencies, federal or state, in the acquisition of real property and easements for non-proprietary governmental uses and purposes, as “a respective type of title insurance contract” to which a specific rate schedule would be applicable.

(2) Such Certificates of Title and substantially similar contracts differ from “standard” title insurance contracts contemplated in the initial rate order in that the risk assumed is substantially confined to matters of record only and that in transactions with many such governmental agencies statutes of limitation constitute a bar to action for inverse condemnation.

(3) These distinctions warrant promulgation of a lesser risk premium applicable to such Certificates of Title and substantially similar contracts.

(4) Such a promulgation shall apply only to and be limited to those Certificates of Title and substantially similar contracts used by governmental agencies in the acquisition of real property and easements for a governmental or public purpose for public use as distinguished from such acquisitions by such agencies in the exercise of their proprietary functions.

(5) Transactions involving such Certificates of Title for such purposes usually involved the issuance of several interim title insurance certificates, sometimes referred to as title insurance binders, the cost factor of which should be recognized in the allowance of an interim certificate charge for each certificate issued subsequent to the initial certificate, sometimes referred to as the preliminary certificate, in addition to the risk premium charge.

(6) In recognition of the above factors the following risk premium schedule and interim binder or certificate charges are hereby promulgated as being applicable only to such Certificates of Title and substantially similar contracts when used by governmental agencies, state or federal, for the acquisition of real property and easements for a governmental or public purpose and use as distinguished from a proprietary purpose and use:

For Each Interim Certificate

Amount of Liability	Per Thousand	Subsequent to Initial Certificate
\$0-50,000	2.25	Plus \$5.00
50,000-100,000	1.75	Plus \$5.00
100,000-500,000	1.50	Plus \$5.00
Over 500,000	1.25	Plus \$5.00

69 FL ADC 690-186.005
Rule 690-186.005, F.A.C.
FLORIDA ADMINISTRATIVE CODE

690-186.005 Premium Schedule Applicable to “Truth in Lending” and Other Endorsements.

(1) An additional risk exposure for title insurers has been created by the enactment into law of the Federal “Truth in Lending Act,” incorporated in Title 15, United States Code Annotated, Section 1601 et seq., effective May 29, 1968.

(2) Such additional risk exposure is specifically though not exhaustively manifest in the additional risks and expenses incident to the issuance of the “Truth in Lending Endorsement” as reflected in and confined to “Endorsement Number Two of the American Land Title Association” because of the following factors:

(a) The title insurer must determine that a lien is being made for commercial purposes, other than agricultural purposes.

(b) The title insurer must determine that the borrower falls within the category of entities as set forth in Regulation “Z” promulgated by the Federal Reserve.

(c) The title insurer must determine that the home being purchased is or will be the residence of the borrower.

(d) The title insurer must determine that the mortgage being insured by the policy to which the endorsement is being attached is a first lien on the land.

(e) The title insurer must determine that proceeds of the mortgage are disbursed to the seller.

(f) The title insurer may be legally obligated to legally refute the allegations in a foreclosure action against the mortgagor that the matters shown above were not accurately determined.

(g) The penalty for failure to make such correct determination of the above factors may make the title insurer incur liability for the payment or settlement of claims thereon which would not otherwise be incurred in the absence of such Endorsement.

(3) The foregoing factors substantially increase the increment of risk, the expense, and the labor incident to the issuance of title insurance policies brought within the purview of the Truth in Lending Act by utilization of ALTA Endorsement Number Two. Such consequences have a significant potential effect on the fiscal stability of the respective title insurers and the business trust title insurer authorized to transact the business of title insurance in the State of Florida.

(4) Any potential adverse effect of such factors on the fiscal stability of said title insurers with consequent detriment to the title insuring public would be ameliorated or negated by the promulgation of a specific premium rate schedule applicable to such Truth in Lending Endorsement which would reasonably compensate the title insurers for such additional increments of risk.

(5) In recognition of the above findings and factors applicable to Truth in Lending Endorsement Number Two of the ALTA, the following premium schedule is hereby promulgated:

TEN PERCENT (10%) OF MORTGAGEE POLICY PROMULGATED RATE WITH A MINIMUM CHARGE OF TWENTY-FIVE DOLLARS (\$25.00) AND A MAXIMUM CHARGE OF ONE HUNDRED DOLLARS (\$100.00).

(6)(a) In recognition of the increased risk in issuing the following endorsements on a mortgage or owner’s policy, as such endorsements have been approved by the Office, the minimum premium shall be \$25.00 for each endorsement on any mortgage or owner’s policy issued. The endorsements shall be itemized on the closing statement furnished to the insured.

1. ALTA 4/4.1 Condominium.

2. ALTA 5/5.1 Planned Unit Development.

3. ALTA 6 Renegotiable Rate.

4. ALTA 6.1 Variable Rate.

5. ALTA 6.2 Negative Amortization.

6. ALTA 7.0 Manufactured Housing.

7. ALTA 8.0/8.1 Environmental Protection Lien.

8. Revolving Credit Endorsement.

(b) The language of the Revolving Credit Endorsement shall conform to the following endorsement language:

1. Notwithstanding any terms or provisions in this policy to the contrary, the company hereby insures the insured that advances made subsequent to the Date of Policy, but within 20 years of the Date of Policy, pursuant to the terms of the mortgage described in Schedule A of this policy, shall be included within the coverage of this policy, even though the principal indebtedness may have been reduced from time to time preceding any such subsequent advances. The Company’s liability under this policy shall be reduced hereafter by the filing for record by the mortgagor or his successors in title of a notice pursuant to Section 697.04(1), Florida Statutes, limiting the maximum principal amount that may be so secured to an amount not less than the amount actually advanced at

the time of such filing.

2. The Company further assures the insured that such subsequent advances shall have the same priority over liens, encumbrances and other matters disclosed by the Public Records, as do advances secured by the insured mortgage as of the Date of Policy, except for the following matters, if any, arising subsequent to the Date of Policy:

a. Federal tax liens which may be recorded against the mortgagor(s) or their successor in title more than forty-five days prior to the making of any such subsequent advances.

b. Federal tax liens which may be recorded against the mortgagor(s) or their successor in title within forty-five days of making any such subsequent advances, the existence of which are actually known to the insured prior to the making of any such subsequent advances.

c. Ad valorem real estate taxes and assessments and other government liens which are on a parity with ad valorem real estate taxes pursuant to Florida Statutes.

d. Bankruptcies of the mortgagor(s) or their successors in title prior to the making of any such subsequent advances.

e. Defects, liens, encumbrances or other matters, the existence of which are actually known to the insured prior to the making of any such subsequent advances.

3. The total liability of the company under the policy and any endorsements therein shall not exceed, in the aggregate, the face amount of the policy and sums which the Company is obligated under the conditions and stipulations thereof to pay.

4. This endorsement is made a part of the policy. It is subject to all the terms of the policy and prior endorsements. Except as expressly stated on this endorsement, the terms, dates and amount of the policy and prior endorsements are not changed.”

(7)(a) Both endorsements and affirmative type coverages and their applicable risk rate premium must be approved by the Department prior to their issuance in this state. Accordingly, endorsements and affirmative type coverages are categorized as follows:

1. Permitted endorsements and/or affirmative type coverages,

2. Prohibited endorsements and/or affirmative type coverages,

3. Endorsements and/or affirmative type coverages with no specific Department approval required when there is no increased risk resulting to the insurer.

(b)1. With the exception of those endorsements listed in subsection (6) of Rule 69O-186.005, F.A.C., above, no endorsement or affirmative type coverage shall be issued except as set forth in this section.

2. If there is a change in a current adopted endorsement and the change results in a further limitation of coverage, the endorsement may be submitted to the Department for approval without an amendment to these rules.

(c) With the exception of policy forms and those endorsements listed in subsection (6) of Rule 69O-186.005, F.A.C., above, all approvals of endorsements given prior to the effective date of this rule are withdrawn. This section shall have no effect on the validity of those endorsements issued prior to the effective date of these rule amendments.

(d) All issued endorsements shall be itemized on the closing statement furnished to the insured with costs for each endorsement shown.

(e) Specific endorsements may be issued by reference to a master list of approved endorsements and have the same validity as if issued individually on each transaction so long as the language in the endorsement specifically conforms without any additions or deletions to the endorsement language as set forth in this section. Any such master list of approved endorsements shall only be issued in conjunction with a mortgage (mortgagee) title insurance policy.

(8) The following permitted endorsements and endorsement language are approved:

(a) Florida Endorsement Form 9; (Restrictions, Easements, Minerals):

1. This endorsement shall not be issued unless there has been a release of the right of entry of the mineral reservation, nor shall it be issued over any adverse matter or defect in title unless such adverse matter or defect has been removed or determined to be legally unenforceable.

2. The language of the Florida Endorsement Form 9 shall conform to the following endorsement language:

“The Company insures the owner of the indebtedness secured by the insured mortgage against loss or damage sustained by reason of:

1. Any incorrectness in the assurance that, at date of policy:

3. Damage to existing improvements (excluding lawns, shrubbery or trees).

(a) Which are located on or encroach upon that portion of the land subject to any easement excepted in Schedule B, which damage results from the exercise of the right to maintain the easement for the purpose for which it was granted or reserved.

4. Any final court order or judgment requiring the removal from any land adjoining the land of any encroachment excepted in Schedule B.

5. Any final court order or judgment denying the right to maintain any existing improvement on the land because of any violation of covenants, conditions or restrictions or building setback lines shown on a plat or subdivision recorded or filed in the public records.

2. This endorsement is made a part of the policy and is subject to all the terms and provisions thereof and of any prior endorsements thereto. Except to the extent expressly stated, it neither modifies any of the terms and provisions of the policy and any prior endorsements, nor does it extend the effective date of the policy and any prior endorsements, nor does it increase the face amount thereof."

(c) Shared Appreciation – The Shared Appreciation Endorsement (Florida) shall conform to the following endorsement language:

1. The Company hereby insures the Insured against loss or damage by reason of:

a. The invalidity or unenforceability of the lien of the insured mortgage resulting from the provisions therein which provide for a shared appreciation interest.

b. Loss of priority of the lien of the insured mortgage as security for (1) the unpaid principal balance of the loan; (2) the stated interest; and (3) the shared appreciation interest, which loss of priority is caused by the provisions in the insured mortgage for payment or allocation to the insured mortgagee of any shared appreciation interest.

c. "Stated Interest" as used in this endorsement shall mean only the per annum interest on the unpaid principal balance of the loan provided in the insured mortgage at date of Policy.

d. - (13) The Substitution Loan Rate provided in subsection (5) of Rule 69O-186.003, F.A.C., shall apply to any endorsement which insures a modification of a mortgage which was insured by an outstanding policy where the modification agreement effects any change in the terms, conditions, priority, or security, other than:
 - (a) An extension of the time for payment of the secured obligation;
 - (b) Any decrease in the interest rate of the insured mortgage, provided the “cap” on a variable rate mortgage is not greater than the original “cap” and/or the “cap” is not greater than the original fixed rate;

Any form of written notice issued after the effective date of this rule by a title insurer or business trust title insurer assuming liability for loss in accordance with Section 627.786, Florida Statutes, shall be in the following form and content:

(Date)

RE: (Insert name of
Issuing Agent or
Approved Attorney)

(TITLE INSURER'S LETTERHEAD)

When title insurance of (insert title insurer) is specified for your protection in connection with closings of real estate transactions in which you are to be the lessee or purchaser of an interest in land or a lender secured by a mortgage (including any other security instrument) of an interest in land, the (insert title insurer), subject to the Conditions and Exclusions set forth below, hereby agrees to reimburse you for actual loss incurred by you in connection with such closing when conducted by said Issuing Agent or Approved Attorney when such loss arises out of:

1. Failure of said Issuing Agent or Approved Attorney to comply with your written closing instructions to the extent that they relate to (a) the status of the title to said interest in land or the validity, enforceability and priority of the lien of said mortgage on said interest in land, including the obtaining of documents and the disbursement of funds necessary to establish such status of title or lien, or (b) the obtaining of any other document, specifically required by you, but not to the extent that said instructions require a determination of the validity, enforceability or effectiveness of such other document, or (c) the collection and payment of funds due you, or

2. Fraud or dishonesty of said Issuing Agent or Approved Attorney in handling your funds or documents in connection with such closing.

If you are a lender protected under the foregoing paragraph, your borrower in connection with a loan secured by a mortgage on a one to four family dwelling shall be protected as if this letter were addressed to your borrower.

Conditions and Exclusions

A. The (insert title insurer) will not be liable to you for loss arising out of:

1. Failure of said Issuing Agent or Approved Attorney to comply with your closing instructions which require title insurance protection inconsistent with that set forth in the title insurance binder or commitment issued by the (insert title insurer). Instructions which require the removal of specific exceptions to title or compliance with the requirements contained in said binder or commitment shall not be deemed to be inconsistent. This paragraph shall not be applicable when such binder or commitment has not been required by the lender prior to closing.

2. Loss or impairment of your funds in the course of collection or while on deposit with a bank due to bank failure, insolvency or suspension, except such as shall result from failure of said Issuing Agent or Approved Attorney to comply with your written closing instructions to deposit the funds in a bank which you designated by name.

3. Mechanics' and materialmen's liens in connection with your purchase or lease or construction loan transactions, except to the extent that protection against such liens is afforded by a title insurance binder, commitment or policy of the (insert title insurer).

4. The periodic disbursement of construction loan proceeds or funds furnished by the owner to pay for construction costs during the construction of improvements on the land to be insured, unless an officer of the company has specifically accepted the responsibility to you for such disbursement program in writing.

B. When the (insert title insurer) shall have reimbursed you pursuant to this letter, it shall be subrogated to all rights and remedies which you would have had against any person or property had you not been so reimbursed. Liability of the (insert title insurer) for such reimbursement shall be reduced to the extent that you have knowingly and voluntarily impaired the value of such right of subrogation.

C. Any liability of the (insert title insurer) for loss incurred by you in connection with closings of real estate transactions by said Issuing Agent or Approved Attorney shall be limited to the protection provided by this letter. However, this letter shall not affect the protection afforded by a title insurance binder, commitment or policy of (insert title insurer). The dollar amount of liability hereby

incurred shall not be greater than the amount of the title insurance binder, commitment or policy of title insurance to be issued, and liability hereunder as to any particular loan transaction shall be coextensive with liability under the policy issued to you in connection with such transaction. Payment in accordance with the terms of this letter shall reduce by the same amount the liability under such policy and payment under such policy shall reduce by the same amount the company's liability under the terms of this letter.

D. Claims of loss shall be made promptly to the (insert title insurer) at its principal office at (address). When the failure to give prompt notice shall prejudice the (insert title insurer), then liability of the (insert title insurer) hereunder shall be reduced to the extent of such prejudice. The (insert title insurer) shall not be liable hereunder unless notice of loss in writing is received by the (insert title insurer) within ninety (90) days from the date of discovery of such loss.

E. Nothing contained herein shall be construed as authorizing compliance by any issuing agent or approved attorney with any such closing instructions, compliance with which would constitute a violation of any applicable law, rule or regulation relating to the activity of title insurers, their issuing agents or approved attorneys, and their failure to comply with any such closing instructions shall not create any liability under the terms of this letter.

F. The protection herein offered will be effective until cancelled by written notice from the (insert title insurer). Any previous insured Closing Service letter or similar agreement is hereby cancelled, except as to closings of your real estate transactions regarding which you have previously sent (or within 30 days hereafter send) written closing instructions to said Issuing Agent or Approved Attorney.

PREMIUM CALCULATION

Basic Rate Table

Amount of Liability	Amt. per \$1000 of coverage	Minimum Insurer Retention
From \$0 to \$100,000 (Tier 1)	\$5.75	30%
From \$100,000 to \$1 million, add (Tier 2)	\$5.00	30%
Over \$1 million to \$5 million, add (Tier 3)	\$2.50	35%
Over \$5 million to \$10 million, add (Tier 4)	\$2.25	40%
Over \$10 million, add (Tier 5)	\$2.00	40%

Fig. 1 – Basic Rate Table

Steps for Calculating Owner’s Policy Premiums

- Step 1:** Determine if insurance amount is a multiple of \$100, if not, round up to the next multiple of \$100
 \$575,850 is not a multiple of \$100, so round up to \$575,900
- Step 2:** Allocate the purchase price among the appropriate rate tiers
 (a) The first \$100,000 of the purchase price is allocated to Tier 1
 (b) The remaining \$475,900 is allocated to Tier 2
- Note: For a purchase price between \$1 million and \$5 million, there would be allocations among Tiers 1, 2 and 3*
- Step 3:** Divide the amount allocated to each tier by \$1,000 and multiply by the rate for that tier
 (a) $\$100,000/\$1,000 = 100 * \$5.75 = \575
 (b) $\$475,900/\$1,000 = 475.9 * \$5.00 = \$2,379.50$
- Step 4:** Add the results for all the rate tiers to calculate the total premium
 $\$575 + \$2,379.50 = \$2,954.50$

Reissue Rates on Owner’s Policies

The most common exception to basic owner’s policy rates is the reissue rate. Although often thought of in terms of a “reissue credit,” the reissue rate is actually an alternative rate schedule set out in 69O-186.003(2). The reissue rate schedule has four tiers rather than five and does not list specific minimum insurer retention amounts, so the agent should remit 30% of the premium.

Amount of Liability	Amt. per \$1000 of coverage
From \$0 to \$100,000 (Tier 1)	\$3.30
From \$100,000 to \$1 million, add (Tier 2)	\$3.00
Over \$1 million to \$10 million, add (Tier 3)	\$2.00
Over \$10 million, add (Tier 4)	\$1.50

Fig. 2 – Reissue Rates

Steps for Calculating Owner’s Policy Premiums Using Reissue Rates

Reissue rates on new owner’s policies are used in two situations. First, if the property being conveyed is unimproved except for roads, bridges, drainage facilities and utilities, and the current grantor has an owner’s policy, then reissue rates are used to calculate that portion of the premium for the new owner’s policy to be issued that is equal to the amount of coverage of the grantor’s policy, regardless of when that policy was issued. Second, calculating the premium for an owner’s policy when the seller of improved property is the insured under an owner’s policy issued not more than **three** years prior to the effective date of the current buyer’s owner’s policy:

Example: Assume A is the owner of Blackacre, a vacant parcel of land, and has an owner’s policy insuring Blackacre for \$50,000. A is selling Blackacre to B for \$100,000. Reissue rates (at Tier 1 as shown in Fig. 2 above) apply to the first \$50,000 of premium for the policy insuring B and the basic rates (at Tier 1 as shown in Fig. 1) apply to the remaining \$50,000. The calculation looks like this:

- Step 1:** Allocate the purchase price between reissue rates and basic rates at the applicable tier
 (a) The first \$50,000 is calculated at reissue rates at Tier 1
 (b) The second \$50,000 is calculated at basic rates at Tier 1
- Step 2:** Divide the amount allocated to each tier by \$1,000 and multiply by the rate for that tier
 (a) $\$50,000/\$1,000 = 50 * \$3.30 = \165
 (b) $\$50,000/\$1,000 = 50 * \$5.75 = \287.50
- Step 3:** Add the results for all the rate tiers to calculate the total premium
 $\$165 + \$287.50 = \$452.50$

Reissue rates, shown in Fig. 2 above, apply to mortgagee policies issued when the mortgagor is refinancing property which is insured by an owner's policy insuring the title of that mortgagor. The effective date of the owner's policy is irrelevant as the reissue rates can be used every time the insured owner refinances the property. As an example, assume A is the insured under an owner's policy covering Blackacre in the amount of \$200,000 and is now refinancing in the amount of \$250,000. Reissue rates will apply to the first \$200,000 of coverage under the new mortgage policy and regular rates, at Tier 2, as shown in Fig. 2, will be applicable to the \$50,000 of coverage in excess of A's owner's policy. If, at some time in the future, A again refinances for \$275,000, reissue rates will again apply to the first \$200,000 and regular rates, at Tier 2, to the remaining \$75,000.

Calculating Simultaneous Issue Rates

Assume that A purchases Blackacre, a vacant parcel of land, for \$50,000 and obtains a construction loan for \$200,000. Assume further that A is issued an owner's policy for \$50,000 and there is a simultaneously issued mortgagee policy for \$200,000. The premium for the owner's policy will be \$287.50. Simultaneous issue rates will apply to the first \$50,000 of the mortgagee policy and regular rates, at the applicable tiers, to the remaining \$150,000 of coverage. To illustrate:

- Step 1: Separate the mortgage policy amount into the applicable categories and tiers**
- The first \$50,000 costs \$25 (or more, if the agent chooses)
 - The next \$50,000 is calculated at regular rates at Tier 1
 - The final \$100,000 is calculated at regular rates at Tier 2
- Step 2: Divide the amount allocated to each tier by \$1,000 and multiply by the rate for that tier**
- \$25.00
 - $\$50,000/\$1,000 = 50 * \$5.75 = \287.50
 - $\$100,000/\$1,000 = 100 * \$5.00 = \500
- Step 3: Add the results for all the rate tiers to calculate the total premium**
 $\$25 + \$287.50 + \$500 = \mathbf{\$812.50}$

Substitution Loan Rates

When a substitution loan is made by the same borrower and the same lender on the same property and there was a mortgagee policy issued in connection with the original loan, the following premium rate schedule applies:

Age of Original Loan	Premium Rate
3 years or under	30% of original rates
From 3 to 4 years	40% of original rates
From 4 to 5 years	50% of original rates
From 5 to 10 years	60% of original rates
Over 10 years	100% of original rates

Fig. 4 – Substitution Loan Rates

Calculating Premiums for Future Advances

In all cases where a future advance is made, an additional premium will be due on the new money. The premium is calculated at the regular rates, but starting at the rate tier applicable to the unpaid principal balance of the loan at the time of the future advance. For example, assume Lender is making a future advance of \$400,000 on a loan where the initial principal balance was \$1,000,000 and the current unpaid principal balance is \$800,000. Assume further that the future advance is within the limits of the mortgage's future advance clause, and that substitution loan rates do not apply to the unpaid principal balance.

- Step 1: Determine the rate tier applicable to the outstanding principal balance at the time of the modification according to Fig. 2**
 An outstanding balance of \$800,000 falls within the limits of Tier 2 in Fig. 2 (\$100,000 up to \$1,000,000)
- Step 2: Allocate the future advance amount between the basic rates at the applicable tier**
- The first \$200,000 is calculated at basic rates at Tier 2
 - The remaining \$200,000 is calculated at basic rates at Tier 3
- Step 3: Divide the amount allocated to each tier by \$1,000 and multiply by the rate for that tier**
- $\$200,000/\$1,000 = 200 * \$5.00 = \$1,000$
 - $\$200,000/\$1,000 = 200 * \$2.50 = \500
- Step 4: Add the results for all the rate tiers to calculate the total premium**
 $\$1,000 + \$500 = \mathbf{\$1,500}$
